

**whats the
purpose
of
hearing?**

**can we
make our
hearing
faster**

**Why cant
you see
sound
waves**

**does ear
wax block
our
hearing?**

**How are
sounds
made?**

**can sound
waves
generate
heat**

**Where does
hearing come
from?**

**Why is it
important
to hear?**

**why are
sound
waves
invisible**

**How loud
is too loud
for your
hearing**

**what
makes us
deaf?**

**why does
sound
travel in
waves**

**how do
we get
deaf?**

**does sound
travel faster in
space**

**What
makes us
hear
Sound**

**Is sound
limited for
us?**

**how well
can
people
hear?**

**How
much can
we hear**

**What
does
Sound do?**

**who
found out
about
sound?**
